

# 5-W FAIRY TALE POEMS

These 5-W poems have a twist, because they have to be written about a fairy tale character. Choose a character such as Jack (from Jack and the Beanstalk), one of the 3 Little Pigs, Snow White, Cinderella, Rapunzel, or... ? Then answer each of the questions below to create your poem, and finally, give your poem a title. An example follows; in this case, about Cinderella.

## CINDERELLA IV (Now Called Abigail)

Cinderella the 4th

Auctioned off her great-grandmother's famous slippers, sold the castle, and  
changed her name,

Scampered off from that faraway land and moved to the Big Apple,  
Forever leaving behind "once upon a time" and "happily ever after"

Because it was all so yesterday, and she wanted to like, move forward, dude.
