

Count by fives:

25	30		
	50	55	
			80
85			

This little leprechaun has so much gold, he needs to count it by 5s. He needs some help however, so fill in the missing blanks for him.

Bonus Question:

How do you know if a number is divisible by 5? Write down the rule here:

---

---

---

Now he's going to count by 3s. Fill in the missing blanks here too.

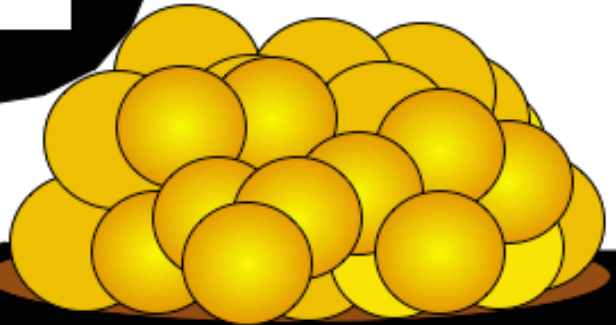

Bonus Question:

Do you know the divisibility rule for 3? Write it down here:

---

---

---

Count by threes:

9		15	
	24		30
		39	
45		51
