"Gifts of time and love are surely the basic ingredients of a truly merry Christmas."

- Peg Bracken

Journal Prompt: Innovative Gifts

Times are tough, and you might not have a lot of extra cash for gift giving this year. There are still many ways to give, from running errands for your Mom or a neighbor, to sewing an apron for a grandmother, or shoveling snow off a sidewalk. Think of a list of gifts that do not require a whole lot of cash. Discuss who would appreciate them as well.
