Daily Quote Journal

Date: _____

Name: _____

"Nothing is a waste of time if you use the experience wisely."

- Auguste Rodin

Journal Prompt: Carve it Out

Your school is redesigning its methods of instruction. Students will largely be in charge of their own educations, with help available from mentors at all times. How will this school operate? What kinds of classes will it have? What course materials or texts will you use? What kinds of new experiences will be introduced? Design your school!
