Daily Quote Journal

Date: _____

Name: _____

"The brain is like a muscle. When it is in use we feel very good. Understanding is joyous."

- Carl Sagan

Journal Prompt: Wow Range!
Imagine that a person was suddenly discovered, who possessed an I.Q. way off the charts -- no one is even able to measure it. This person had access to understanding, and information we could only dream about it. What happens to this person? Write a news report or short story.
