Without inspiration the best powers of the mind remain dormant.
There is a fuel in us which needs to be ignited with sparks.

- Johann G. von Herder

Journal Prompt: Inspiration
What do you find inspires you the most about your school and your classes? What are some of the things you would change, if you could? What are some things you would like to see more of? Is there anyone at your school you find particulary inspiring? If so, what is inspiring about him or her?
