Each of the words below has something to do with summer, and is hidden in the wordsearch puzzle above. There is only one problem, however - they are each missing either a beginning, an end, or a middle letter. You will have to find that missing letter first, before locating the word in the wordsearch. Cross off each letter in the letter bank below that you use to fill in the missing blanks.

## LETTER BANK

.....

K      B      E      I      D      U      C      N      U

.....

- |             |             |          |
