

# ALL ABOUT ME . . .

Each one of us is unique and special! Fill in the blank spaces below to tell the class something about you. Then answer "I am..." with a describing word - such as "I am playful," or "I am mischievous" (loyal, funny, serious, etc.). You can use any of the words you find in the word banks below, but you can also choose your own words to fill in the blanks. Design and color your t-shirt and cut it out carefully. Your teacher might wish to have a photo of you to attach to the t-shirt, to display on your class bulletin board. You can also use small clothespins or clips to hang your t-shirts onto a "clothesline"! Be sure to use your very best handwriting!
